

# \$400 REWARD

## This bike was stolen in Sellwood on 5/16/10

A handmade titanium folding bike prototype was stolen from outside our home. Call **503-702-2708** with any info. We just want this returned—no questions asked. This is a bike that has consumed decades of R&D and virtually all of my husband's income over the past 30 years, and is also his personal transportation in use every day.

When it was stolen the bag in this picture was on the front – this is a current photo. This is a one of a kind bike – that my husband made and has been working on so we could start our new family business, The Ultimate Folding Bicycle Company... Please help us!

If you see this bike—or have any information—please call **503-702-2708** right away, or call the police (503) 823-0097. Several alleged sightings have described a primary suspect rider as tall (5-10 to 6') caucasian male w/longish dark hair and an impression/appearance as “homeless” or “transient”. A companion suspect is described as a “short, heavysset middle-aged woman, also apparently homeless or transient”
